SCHOOL AND FAMILY COMMITMENT:

SCA is committed to:

1. supporting the families and local churches of our students
2. operating under the delegated authority and support of parents, Sherwood Park Alliance Church, and Elk Island Public Schools
3. seeing young people become rooted and grounded in God's Word and operating in the power of the Holy Spirit
4. holding students to the highest in spiritual, academic and social life
5. making Christ the centre of all student activities

SCA recognizes that the Christian life is one of positive, loving service, and that certain standards have been adopted in order to provide an atmosphere which encourages personal, moral, and spiritual growth.

As responsible members of a Christian community, students are to refrain from: the use of narcotics, consumption of alcoholic beverages, tobacco, profanity, pornography, participation in gambling, gossiping and other activities, and attitudes which are not considered conducive to an effective Christian life. Positively, we encourage students to actively participate in academic, intramural and Christian service activities while at Strathcona Christian Academy.

To do this, it is imperative that we have the full support of each student's parents. In this regard, we ask parents to join with us in prayer and to commit yourselves to support Strathcona Christian Academy and its goals.

School Verse: "... whatever is true ... noble ... right ... pure ... lovely ... admirable - if anything is excellent or praiseworthy - think about such things."

Philippians 4:8
